Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See Instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

Plaschke 4/27/17

Plan of Correction for Pleasant Manor Care Center, Mount Pleasant Iowa Provider
IA0937

F 000 Accept the following corrections as the facilities credible allegation of compliance.

F 157

4/11/2017 – 4/13/2017: Bedside Blood Glucose Monitoring Policy and Procedure revised to include requiring staff to obtain an order from the provider indicating parameters of blood sugar results the provider is to be notified. Orders for provider notification were obtained on all residents with bedside blood glucose testing orders. Documentation in the electronic medical record was modified so an alert is triggered when a blood glucose result is entered that requires provider notification. Staff was educated on the new process.

Floor nurses will monitor blood glucose readings in the electronic record alerts every shift to assure all blood sugars out of ordered parameters are reported.

The Director of Nursing or designee will monitor orders for blood glucose parameters on all residents with bedside blood glucose testing, blood glucose results and provider notification daily. On 4/12/2017 an alert was appropriately triggered with a bedside blood glucose result requiring provider notification. The provider was notified and orders received.

The QA committee will monitor monthly for 3 months, quarterly for 1 year for further recommendations and compliance.

results and provider notification daily. On 4/12/2017 an alert was appropriately triggered with a bedside blood glucose result requiring provider notification. The provider was notified and orders received.

The QA committee will monitor monthly for 3 months, quarterly for 1 year for further recommendations and compliance.

F.363

On 04/13/17 A detailed Policy and Procedure for the Puree Process was created. Staff was educated on the new procedure.

Audits will be performed weekly for 3 weeks monthly for 3 months and quarterly thereafter to assure compliance with margarine/butter being added prior to pureeing.

The QA committee will monitor the results of the audits for further recommendations and compliance.

F.371

On 04/12/17 and 04/13/17 all 4 freezers and the milk cooler were defrosted and cleaned.

On 04/17/17 a new cleaning schedule was developed that directs staff when to clean the refrigerators and freezers and when to defrost the freezers.

Audits will be performed weekly for 4 weeks and monthly thereafter to assure compliance with cleaning and defrosting of freezers.

The QA committee will monitor the results of all audits for further recommendations and compliance.

F 226

A new hire procedure was created including results of criminal record check and dependent adult/child abuse registry check. The Office Manager and Administrator must sign off on criminal record check and dependent adult/child abuse registry paper work to assure everything is completed prior to new hires starting work.

The Policy and Procedure "Abuse Prevention, identification, investigation, and reporting" does state the facility will conduct a criminal record check and dependent adult/child abuse registry check on all personnel.

All reports that are received from the DHS will be maintained in the employee files.

Compliance to the revised procedure will be monitored with random audits of employee files by the office manager monthly for 3 months and quarterly thereafter.

The QA committee will monitor quarterly ongoing for continued compliance.

F 309

4/11/2017 – 4/13/2017: Bedside Blood Glucose Monitoring Policy and Procedure revised to include requiring staff to obtain an order from the provider indicating parameters of blood sugar results the provider is to be notified. L1093	<p>Continued From page 1</p> <p>assistance program established under Iowa Code chapter 249A.</p> <p>The provisions of this paragraph shall not apply to the admission of an individual as a resident to a state mental health institute for acute psychiatric care or to the admission of an individual to the Iowa Veterans Home. (II,III)</p> <p>This Statute is not met as evidenced by: Based on record review for admitting a resident to the nursing facility, one of the requirements expected is a review of military service within the first 30 days. The facility failed to submit veterans names to the Iowa Department of Veterans Affairs for eligibility of benefits for 11 residents admitted since 3/17/16. The facility reported a census of 32 residents.</p> <p>Findings include:</p> <p>During the initial meeting with the Administrator on April 11, 2017 at 9:05 A.M., when asked for the Iowa Veterans reporting sheet for the past survey year, the Administrator admitted the facility did not complete the reporting process for veterans eligibility of benefits. On 04/12/2017, the facility did report 6 out of 11 residents who were veterans to the Iowa Department of Affairs. The facility asked all admissions their veteran status, but did not report them to the Iowa Department of Veterans Affairs.</p> <p>The new Policy and Procedure for Veteran Benefit Documentation dated 04/11/2017 directed the business office representative to complete the "Veteran Eligibility" form within 30 days of admission for all admissions and enter the data into the Iowa Department of Veterans Affairs.
