58.45(1)	<p>481-58.45(135C) Dignity preserved. The resident shall be treated with consideration, respect, and full recognition of dignity and individuality, including privacy in treatment and in care for personal needs. (II).</p> <p>58.45(1) Staff shall display respect for residents when speaking with, caring for, or talking about them, as constant affirmation of their individuality and dignity as human beings. (II).</p> <p>DESCRIPTION:</p> <p>Based on record review, staff interviews and review of policy and procedures, the facility failed to ensure the staff treated residents with respect when caring for or talking about them, as constant affirmation of their individuality and dignity as a human being, including privacy and free from social media (Resident #1, Resident #2). The sample consisted of 4 residents and the facility reported a census of 68 residents. According to the facility investigation, on March 29, 2017 they [the facility] received a report that Staff A, CNA (Certified Nurse's Aide), an employee of the facility, posted live video feed on Instagram, a social media account, and delivered this live streaming to 7 friends/people without knowledge or consent of the residents. The live video consisted of a conversation of Resident #2. Staff A stated she was going to a co-worker's</p>	II	\$500	Upon Receipt

The resident's face was shown while in bed. The facility investigation indicated Staff B, Dietary Aide, observed the live video on Instagram on 3/28/2017, at approximately 9:30 p.m. and reported it to the facility the following day. Staff A took an Instagram of Resident #1's name plate outside of the door.</p> <p>Findings Include:</p> <p>1. Resident #2 had a MDS (Minimum Data Set) assessment with a reference date of 3/30/2017. The MDS indicated Resident #2 had no cognitive impairment and required assistance of staff to transfer and did not ambulate. The resident had diagnoses including a left femur (thigh bone) fracture.</p> <p>The Incident Tracking System reported on 3/28/2017 at approximately 9:45 p.m., the CNA (Certified Nurse's Aide) had activated a cell phone live streaming Instagram to 7 people when taking care of a resident. The people had access to hear or see live streaming. The Instagram enabled them to hear a resident in the background talking and a picture of the resident's</p>

The facility notified the resident's family and physician on 3/30/2017.</p> <p>During an interview on 4/13/2017 at 8:30 a.m., Staff E, Administrator, reported Staff B, dietary personnel, observed Staff A, CNA live stream on Instagram while at work on 3/2/2017. Staff B reported viewing video of the nurse's station, Resident #1's room name plate, and mentioned Resident #2 name and viewed his/her face. While Staff A assisted Resident #2 to the bathroom, the phone faced the ceiling during cares, however viewers could hear the conversation.</p> <p>On 4/18/2017 at 9:40 a.m., the Director of Nursing (DON), was interviewed and stated she became aware when Staff B reported the incident the following day. The DON stated Staff B observed Staff A on Instagram posting a live stream while at work. Resident #1's name plate could be seen and she mentioned Resident #2 by name and someone's grandma/grandpa. Staff A assisted Resident #1 to the bathroom and viewers could hear the conversation that included the resident telling Staff A that he/she soiled his/her sock and needed it changed. Later Staff A showed the resident's face while in bed. The DON stated the resident's family member requested her/his mother not know about the phone being turned on.</p>

	<p>During a phone interview on 4/18/2017 at 11:45 a.m., Staff B stated she worked 3/28/2017 from 12:30 - 7:00 p.m. At about 9:45 p.m., she received a Social Media notification that Staff A posted live video. Staff B knew that Staff A worked that evening. Staff B observed video that included Resident #1's name plate with room number. Staff B also heard Staff A mention Resident #2 by name and video of the resident's face after Staff B assisted the resident to bed. While Staff A assisted the resident to the bathroom, Staff B heard conversation that included the resident telling Staff A he/she soiled self and had a sore bottom.</p> <p>On 4/18/2017 at 11:00 a.m., Staff A, CNA, with mother present, reported on 3/28/2017, near the end of the shift she sat near the back dining room with her phone on Instagram, live video, a Social Media account with approximately 7 friends viewing. Staff A stated she thought she had paused the video and went to check if staff working in the front of the building needed help. Staff A went to Resident #1's room and asked Staff F if she wanted Staff A to answer Resident #2's call light. Staff A went to Resident #2's room and placed the phone on the dresser, not realizing the phone remained on. Staff A assisted the resident to the bathroom and they discussed Resident #2's relative whom Staff A knew. Staff A</p>

Staff A stated she did not realize she had shown the resident's face while in bed. There were approximately seven friends following the live video streaming at the time including Staff B, Dietary Aide. After Staff A left the resident's room, she went to the break room, clocked out and left the facility. Staff A clicked the phone "live again" which meant starting the video again and not resuming it. Staff A indicated the facility terminated her due to privacy violation. Staff A worked at the facility since 2/15/2017 and signed the Corporate Compliance of Commitment to Standards and Ethics and the Social Media Policy on 2/15/2017.</p> <p>During a phone interview on 4/18/2017 at 12:30 p.m., Staff F, CNA, reported working the evening of 3/28/2017.
