<b>DESCRIPTION:</b> Based on personnel file reviews, facility policy review and interview, the facility failed to perform a background check prior to hire for one of seven current employees reviewed (Staff K). The facility reported a census of 34 residents.		
Findings include:		
<ol> <li>The personnel file for Staff K, certified nursing assistant (CNA) documented a hire dated of 12/18/17. The personnel file failed to contain a criminal and abuse abuse registry checks for Staff K prior to hire.</li> </ol>		
The Direct Care Worker (DCW) registry for the state of lowa verified the facility did not do a background and abuse registry checks on Staff K until 5/3/18.		
During interview on 3/15/19 at 3:10 PM the Administrator stated employee file audits were done last spring and found it had not been done, so they completed it at that time.		
The facility's Abuse Prevention, Identification, Investigation and Reporting Policy effective 4/14/17 directed the following: Employee Screening: The facility shall screen all potential employees for a history of abuse, neglect, exploitation, misappropriation of property or mistreatment of residents. This will be accomplished through the following (including maintaining
