Monitor(s):

Hal L. Chase, RN BSN MPH
Ann Martin, RN

Definitions:

The following definitions are relevant:

Regulatory Insufficiency - A violation of a statutory or rule provision within the Iowa Code or Iowa Administrative Code (IAC) governing assisted living programs. A regulatory insufficiency requires a plan of correction to be presented to, and approved by, the Department of Inspections and Appeals (DIA).

Plan of Correction - A written response to one or more regulatory insufficiencies that are rule violations [321 IAC 25.8(3)]. The plan should identify how, and by a specific date, an insufficiency will be corrected. The plan is due to DIA within ten (10) working days of the program's receipt of an Initial Certification Monitoring Evaluation Report. Depending on the circumstances, DIA may revisit the assisted living program to confirm progress in fulfilling a plan's corrective measures.

Dementia-specific assisted living program - An assisted living program certified under this chapter that either serves five or more tenants with dementia or cognitive disorder staged between 4 and 7 on the Global Deterioration Scale or holds itself out as providing specialized care for persons with cognitive disorder or dementia, such as Alzheimer's disease, in a dedicated setting.

Overview:

An on-site monitoring evaluation was conducted at Bickford Cottage Assisted Living on January 16, 2007. In preparing this report, the following information was considered:

Current Program Census:

General Population Program (GPP)* – A program that is not a Dementia Specific program, but may have tenants with cognitive disorder.

Current number of tenants without cognitive disorder: 33

Current number of tenants with cognitive disorder: 4

Total Population: 37

Dementia Specific Program (DSP)* – Not applicable.

***These are the census numbers represented by the program to be applicable at the time of the on-site.**

Tenant/Family Satisfaction Results – A community meeting was held in the dining room with thirty one tenants attending. Tenants stated housekeeping does a good job keeping their apartments clean. Tenants stated staff are helpful and friendly and always polite and courteous. Tenants stated the food is good and they like the variety. Tenants stated they enjoy the activities and choices that are offered. Tenants stated they feel safe and are getting the services they expected. Tenants stated they make their own decisions, are satisfied with the program and would recommend it to their friends and family.

Complaint History – There were no substantiated complaints during this certification period.

On-Site Monitoring Evaluation – The monitor(s) made the observations detailed in the following areas. There were no regulatory insufficiencies noted during this on-site evaluation.

Dated this 19th day of January, 2007.
