To Whom it may concern,

This is the plan of correction for Sunny Brook at Carroll in response to DIA complaint #67400 and investigation dated 4/24/17 to 4/26/17.

The program received a RI regarding-Tenants Rights regarding the community cat.

1. The program corrected the RI by removing the cat from the MC unit.
2. This will not recur because there will no longer be a cat in the MC unit.
3. When another cat/dog is placed in the community they will not be kept in the MC unit, the pet will have a specific care plan on who is responsible to care for it along with a check list to ensure staff are abiding this. ( this includes feeding and taking outside etc.) A kennel will be purchased and used to keep the pet during events and at meal times.
4. The cat has been removed from the MC unit as of 5/22/17.
5. Community Pets are to be treated with the same rules as the residents owned pets as in the resident handbook.

Please let me know if there is anything else you need.

Thanks

Tina Patterson
